Grandfinal

TH supports the narrative of "You Only Live Once"

Infoslide: "You Only Live Once (YOLO)" is a popular internet slang term. It suggests that a person should make the most of the present moment and not worry too much about what happens next. This includes doing things that are enjoyable or exciting, even if they are silly or slightly dangerous.

THS the rise of "Buy now, Pay later" services.

Info Slide: "Buy Now, Pay Later (BNPL)" services are financial arrangements that allow consumers to purchase products or services immediately and defer payment to a later date, typically without paying interest if they pay back the money within a predefined period. These services have grown in popularity, especially in online shopping, offering an alternative to traditional credit card use.

THBT the rise of “塌房文化” in China does more harm than good to society.

Info Slide: The concept of “塌房文化” is a unique phenomenon in Chinese society which refers to the sudden downfall or “collapse” of a celebrity's reputation due to scandals, controversies, or unethical behavior. This phenomenon has become increasingly prominent with the rise of social media and the intense scrutiny of public figures.
